YEARS 7 - 12 NETBALL SCHOLARSHIPS 2017

Netball Scholarships are offered by the College Board.

SCHOLARSHIP VALUE

Each Scholarship covers a percentage of the applicant's tuition fees at the College. Netball Scholarships are allocated on a sliding scale from 10 – 60% depending on achievements of each athlete in the Netball WA Pathway and their participation in College activities and academic pursuits.

As a general rule, scholarship percentages are as follows:

Year 7: 10-15%
Year 8: 15-20%
Year 9: 20-25%
Year 10: 30-35%
Year 11 & Year 12: 40-60%

All Scholarships are formally reviewed at the completion of Term One, Term Two and Semester Two. Alterations may be made to the Scholarship percentages at these times. All Scholarship holders are required to re-apply at the end of each year and as a general rule, scholarship value will increase if expectations are being met.
