

CATHOLIC EDUCATION  
WESTERN AUSTRALIA

1 August 2024

Dear Parents and Caregivers/Parishioners

**ARANMORE CATHOLIC COLLEGE – ARANMORE CATHOLIC PRIMARY SCHOOL  
CONSULTATION PROCESS**

As per the information given to you recently regarding the process to investigate the amalgamation of Aranmore Catholic College with Aranmore Catholic Primary School (that was posted in the school/college/parish newsletter), Catholic Education Western Australia (CEWA) will hold a community meeting to inform the school and parish communities of the reason for the amalgamation proposal and to explain the process moving forward.

Accordingly, I am pleased to invite you to this community meeting, the details of which are as follows:

**Date:** Tuesday 13 August 2024  
**Time:** 4.00pm  
**Venue:** Aranmore Catholic College Staff Room

To assist with catering purposes please register your attendance [here](#).

A CEWA representative has been appointed as the facilitator for each of the four sub-committees (Catholic Identity, Education, Community and Stewardship), all of which will also have school and parish representation to ensure a substantial community voice.

Apart from attending the aforementioned meeting, you are invited to have input into the consultation process by adding your question or concern (which will be considered by one of the four sub-committees), via this link: <https://coaaa.cewa.edu.au>, which will be updated with FAQs and information as these become available.

Yours sincerely

Tony Curry  
Project Officer
