

Dear Parent/Guardian

I am writing to share with you further updates following the [announcement](#) on 14 February that Aranmore Catholic Primary School and Aranmore Catholic College will be amalgamated from the beginning of 2026.

Following a recommendation by Catholic Education WA, The Most Rev Timothy Costelloe SDB, Archbishop of Perth has endorsed the name Aranmore Catholic College for the Pre-Kindergarten – Year 12 (K-12) College. This will ensure that we continue to honour the history of the current school communities whilst embarking on this new chapter.

I am also happy to share that the process to recruit a substantive Principal for the new K-12 College has now begun.

You can continue to keep up to date with significant developments in the amalgamation by visiting <https://coaaa.cewa.edu.au/>.

Yours sincerely
