South Metropolitan TAFE Carlisle Campus

**Interested in becoming a mechanic
on light or heavy vehicles?**

O I major partner AHG (Automotive Holdings Group) cover the full range of vehicle brands and servicing.

In the course you will learn the basic concepts of service and repair of light and heavy vehicles. By the end of the course you will be on your way to apprenticeship opportunities with the skills you have developed and at the very least have basic service skills for your own car.

If you love cars or heavy vehicles, this could be the sector for you.
