**Certificate II Hairdressing
(Salon Assistant)**

One year course can be started in Year 11 or 12

For all you fashion conscious stars out there, no matter how good the clothes are or how you present, the hair makes the final statement.

If you are creative and like helping people feel and look good, hairdressing could be for you. This could be your chance to shine and get ahead of the pack.

In this 12 month course, you will develop all the skills of a salon assistant with a view to gaining an apprenticeship on completion.

As your school coordinator how you can apply for this ONSITE course
